**ORDER**

Government of India has permitted Keralites stranded outside the country and States to return to Kerala. Accordingly, the Health Department has prepared a standard testing protocol to screen, and manage the incoming people. In order to ensure supply chain management following instructions are issued.

1. The Kerala Medical Services Corporation Limited is authorised to procure consumables for doing 1 lakh RT PCR tests in the coming months of May and June as per the protocol suggested for the RT PCR testing.
2. The procurement of consumables for RTPCR tests shall be done in stages. When 50% of the stocks are exhausted, it is to be replenished by procuring 25% or 50% of inventory after analysing the spread of the epidemic and the health condition of the incoming people.
